

**DEUTSCHE SCHULE
DURBAN**

GRADE 4 IN 2027

Only 8 places for English-speaking learners

No German required, just curiosity, confidence, and a willingness to learn.

DSD's new English stream offers small classes where every child is known and valued, a warm and welcoming school community, and a well-rounded education that balances academics with culture, arts, and sport.

Created in response to strong demand, this pathway blends personalised learning with beginner German, preparing learners to thrive beyond Grade 7, both locally and internationally.

Learn More 

What your child can look forward to:

- A small school where every child is known and valued
- A supportive, welcoming community that feels like family
- Academics, arts, culture & sport, full participation for all
- Beginner German + strengthened Afrikaans = future advantage
- Tradition of excellence nurturing confident, independent learners

Come and Experience Deutsche Schule Durban

The best way to get to know our school is to see it for yourself. Meet Principal Peter Deppe, explore our campus, and discover what makes our learning environment unique.
